Klondike Fire: (SA Red, IC Dueitt). The fire is at 115,404 acres (+3,097) and 51 percent contained. Most of yesterday's growth was in the Indigo Creek area. Aviation support continued, with favorable burning conditions supporting tactical firing operations that began late yesterday and continued today. A few Level 3 evacuations remain in place with Level 2 evacuation orders for the community of Agness. A community meeting was held yesterday with 50-60 in attendance. The "Ride the Rogue" bike race remains on schedule for Sept. 8. More information is at: <https://inciweb.nwcg.gov/incident/5998/>.

Terwilliger Fire: NR Team, IC Connell is managing the 9,639-acre (+481) Terwilliger Fire with 34-percent containment. The fire is located on the Willamette National Forest near the Terwilliger (Cougar) Hot Springs and burning on both sides of Cougar Reservoir. Crews are holding handline and mopping up on the north, with some bucket work to control hot spots. Firing operations continue on the south end of the fire to tie the 140 road into the 19 road, with isolated spot fires contained. Firefighters continue to install and staff sprinklers along the wilderness boundary to protect foot bridges. A forest closure remains in effect. Natchez Fire: NW Team 7, IC Knerr. The fire grew another 1164 acres yesterday to the west and is now 31,273 (+1164) acres and 70 percent contained. On the west side, the team is working to hold the fire on the east of El Capitan and is considering tactical firing operations. On the north and east sides of the fire, continuing to hold the fireline and repair roads. The community of Sunstar remains under a Level 1 evacuation. Three additional residences are under an evacuation warning. A public meeting will be held Friday, 1800, at Happy Camp. More information can be found at <https://inciweb.nwcg.gov/incident/5948/>.
